

## Position Summary...

### What you'll do...

Are you passionate about pioneering cutting-edge data science and Generative AI solutions? Do you dream of leading a team of data scientists and engineers?

The Senior Distinguished I, Data Scientist is a visionary leader who will drive the development and application of cutting-edge data science and Generative AI solutions.

### About Team:

The Customer Care Technology team builds best-in-class customer service experiences for hundreds of millions of Walmart customers.

### What You'll Do

Drive the strategic vision and execution for the GenAI and data science team.

Accelerate the adoption of AI/ML advances in the entire customer care domain, from customer facing GenAI to internal data science.

Lead hands-on experiments and prototypes. Provide strategic direction for problem solving.

Hire, mentor and grow science and engineering talent.

Foster a culture of continuous learning, innovation, collaboration, and risk taking.

Work cross-functionally across various engineering, product, UX and business teams. Drive consensus and alignment.

Serve as a team expert on changes in industry trends, products, and other advances, and apply this knowledge to our business.

### What You'll Bring

PHD or master's degree in computer science, Machine Learning, Statistics, Data Science, or a similar field.

8+ years of experience in ML, AI and data science

Strong track record of solving complicated business problems using GenAI and data.

Profound knowledge of data science and machine learning, Natural Language Processing, LLM, and Generative AI.

Exemplary hands-on expertise in data analysis tools and programming languages such as Python, R, SQL, and others.

Excellent communication skills with the ability to present complex data in a simple, understandable manner.

Exceptional problem-solving abilities and strategic thinking skills.

At Walmart, we offer competitive pay as well as performance-based bonus awards and other great benefits for full-time associates.

You will also receive PTO and/or PPTO that can be used for vacation, sick leave, holidays, or other purposes. The availability and use of these benefits varies by position.

For information about PTO, see <https://one.walmart.com/notices>.

Live Better U is a Walmart-paid education benefit program for full-time and part-time associates in Walmart U-eligible positions across the United States. It is not available to associates outside the U.S. or in certain markets.

Eligibility requirements apply to some benefits and may depend on your job classification and length of employment. Please see your manager for more information.

For information about benefits and eligibility, see [One.Walmart](#).

The annual salary range for this position is \$192,000.00-\$384,000.00.

Additional compensation includes annual or quarterly performance bonuses.

Additional compensation for certain positions may also include:

- Stock
