

Position Summary...

About The Walmart Supply Chain Finance Data Science Team

Walmart's Supply Chain Finance Data Science Team performs an important role providing data science and analytics to our Supply Chain Finance team.

What you'll do...

This Data Scientist III role will support financial forecasting and strategic planning capabilities for our US Supply Chain Finance team.

What you'll do:

Develop Insightful Solutions for financial forecasting and streamlining operational decision-making.

Provide Relevant Data Sources and Analysis for Finance Strategy Models for Supply Chain Operations by leveraging data science and analytics.

Use New Technology and Data Explanation Formats to improve finance processes.

Present Recommendations to Leadership with compelling narratives and thoughtful visualizations to gain trust and buy-in.

What you'll bring:

3+ years of experience in Data Science, Optimization, or Data Analytics, preferably with exposure to financial forecasting and strategic planning.

Proficiency with coding (Python, Java, C++, etc.), querying large datasets, building data pipelines, providing data science and analytics.

Excellent communication skills – both written and verbal – with the ability to explain complex topics to non-technical audiences.

Strong problem-solving and analytical skills, with attention to detail and comfort navigating ambiguity.

The above information has been designed to indicate the general nature and level of work performed in this position.

At Walmart, we offer competitive pay as well as performance-based bonus awards and other great benefits for all associates.

You will also receive PTO and/or PPTO that can be used for vacation, sick leave, holidays, or other purposes.

For information about PTO, see <https://one.walmart.com/notices>.

Live Better U is a Walmart-paid education benefit program for full-time and part-time associates in Walmart U.S. stores.

Eligibility requirements apply to some benefits and may depend on your job classification and length of employment.

For information about benefits and eligibility, see One.Walmart.

The annual salary range for this position is \$90,000.00-\$180,000.00.

Additional compensation includes annual or quarterly performance bonuses.

Additional compensation for certain positions may also include:

- Stock
