We are seeking a dynamic and experienced Manager of Advanced Analytics to execute our data strategy.

Key Responsibilities

Data Visibility and Standardization: Ensuring consistent data visibility through standardized and clarified metrics.

Dashboard Consolidation: Consolidate dashboards into a few key standardized ones that address the most critical business needs.

Reporting and Insights: Establish reporting standards, create dashboards, and deliver actionable insights to business leaders.

Self-Service Reporting Tools: Developing and implementing self-service tools that enable the analytics team to deliver insights faster.

Collaboration with Data Engineering: Working closely with the Data Engineering team to ensure a smooth flow of data.

Understanding Business Context: Translate business requirements into strategic initiatives, build business cases, and track progress.

Continuous Improvement: Driving continuous improvement initiatives based on business feedback to enhance data-driven decision-making.

Preferred Qualifications

Education: Bachelor's degree in data science, Computer Science, Statistics, or related field; master's degree preferred.

Experience: 2 years of experience in data analytics.

Skills:

Proficiency in data analytics tools (e.g., SQL, Python, R).

Expertise in data visualization tools (e.g., Tableau, Power BI, Looker).

Strong understanding of data management and governance.

Excellent problem-solving and analytical skills.

Ability to translate complex data into clear, actionable insights for business leaders.

At Walmart, we offer competitive pay as well as performance-based bonus awards and other great benefits for all associates.

You will also receive PTO and/or PPTO that can be used for vacation, sick leave, holidays, or other purposes.

For information about PTO, see <https://one.walmart.com/notices>.

Live Better U is a Walmart-paid education benefit program for full-time and part-time associates in Walmart U stores.

Eligibility requirements apply to some benefits and may depend on your job classification and length of employment.

For information about benefits and eligibility, see One.Walmart.

The annual salary range for this position is \$80,000.00-\$155,000.00.

Additional compensation includes annual or quarterly performance bonuses.

Additional compensation for certain positions may also include:

- Stock
